Cameron Farrell, RIBA

Project Architect

Cameron joined Darling Associates in 2019 and is currently responsible for a series of projects in London and around the UK specialising in commercial and residential sectors.

His skills range from developing the initial brief and delivering initial conceptual work, the detailed design and key planning stages of a project through to its delivery and completion, whilst working closely with the client, design and contractor teams at each of these key stages.

Education

2018 - 2020	PGDip Architectural Practice (Distinction) University of Greenwich
2014 - 2017	M.Arch Architecture (Merit) University of Greenwich
2010 - 2013	BA (Hons) Architecture (2:1) Hull School of Art & Design

Awards

Humberside Society of Architects Prize

'Standout Student' Mention - AJ Magazine

Experience

2019 – present	Darling Associates, London Architect
2017 – 2019	NORR, London Architectural Assistant
2013 – 2015	HMY Architects, Kent Architectural Assistant

Portfolio

Eden Campus, Unilever, Kingston

Major mixed use scheme in Kingston, providing 270,000ft^2 HQ office and tall residential tower for Cuba Real Estate

Eton House, Richmond

32,774ft^2 HQ office design in Richmond, as part of the regeneration of the existing town centre

Station Square, Slough

Mixed use scheme in Slough, providing residential and 150,000 ft^2 HQ office buildings in a prominent central location

Ditton Park, Berkshire

Major refurbishment of 200,000 ft^2 HQ office development on a 200-acre site in Slough, Berkshire.

PRE-DARLING ASSOCIATES

Holiday Inn Express Bicester Gateway, Oxfordshire

Design of a new 149 bedroom hotel incorporating ground floor restaurant, kitchen, bar and business facilities, plus four floors of guestrooms, on a greenfield site.

KCL, IoPPN Student Lounge, Camberwell

The development introduces a new flexible, leisure/ teaching space for the students in addition to an external 'mental well-being' garden.
