

**Pedro Guinapo, ARB**  
**Project Architect**

Pedro joined Darling Associates in 2021, as a Project Architect and is currently working on a large scale residential project in Canary Wharf.

Previously worked on a high-end residential project in Kensington & Chelsea and a large scheme in Birmingham.

Pedro graduated from the Universidade Lusófona de Humanidades e Tecnologias in Lisbon in 2007 and worked in Portugal as an Architect until 2014 when he moved to the United Kingdom. Prior to joining Darling Associates, he worked with Mossessian Architecture, Squire & Partners and Hutchinson & Partners. He was responsible for the design, management and delivery of a broad range of projects including large-scale residential developments, refurbished and newly built commercial projects, cultural schemes and masterplanning both in the United Kingdom and overseas.
